AERONAUTICAL INFORMATION SERVICE

AIC
C012/23
22nd August 2023

**No Objections to the Amendment of Belize Civil Aviation Regulation 39 –
Airworthiness Directives
Issue 3 Revision 0**

Please be advised that the proposed draft amendment of the Belize Civil Aviation Regulation 39 – Airworthiness Directives Issue 3 Revision 0 is readily available for review at the Department’s website www.civilaviation.gov.bz under the *Technical Library* menu followed by the dropdown item *Proposed Regulation* (see image below).

The public will have a period of three (3) weeks from today’s date to submit their comments regarding the abovementioned regulation. Please be advised that these comments will then be published within two (2) weeks after the deadline to submit comments.

In the event that your comments are not received within the said period or by 12th September 2023, it will be understood that there are no objections to the amendment of BCAR – 39 Issue 3 Revision 0, thus considering proceeding to finalize the approval of the said regulation.

Comments can be submitted to the Department’s official email address info@civilaviation.gov.bz addressed to the Director of Civil Aviation with subject “*Amendment of BCAR-39*”.

END.
